

## **Guidelines for Posting on CTK Social**

[www.ctkcincy.com/thepublic](http://www.ctkcincy.com/thepublic)

The Public is a place for people to learn about upcoming events, stay informed on what's new in our church, and connect with others at CTK. This page will include information about what is happening with our church gathered and our church scattered.

CTK Social is a space within The Public designed for those who call CTK home to share events, ask for help, and connect with others. As we seek to be the body of Christ together in our daily lives, this space can be used for the following:

- Community building or social opportunities (events or groups activities)
- Serving, outreach, ministry opportunities
- Requests for recommendations (ex. babysitter, home repair, pest control, items to buy or borrow, etc.)
- Housing opportunities or needs (ex. need a roommate, home for rent or sale, etc.)
- Professional opportunities (ex. job openings, freelance opportunities, etc.)

Due to the public nature of such content, there are certain types of content that will not be posted on CTK Social due to potentially objectionable content or matters of conscience that could be a "stumbling block." These could include movie nights or concerts. Also, this space will not be used to promote the sale of products or services.

If you would like to post something to CTK Social, please go to [ctkcincy.com/thepublic](http://ctkcincy.com/thepublic) and fill out the form at the bottom of that section to submit your post. Please note: your name and email address will be used in the post so others can contact you for more information. Your post will not be immediately available; it could take up to 3 weeks for your content to be posted on the Public.

If you have any questions or concerns, please send emails directly to [operations@ctkcincy.com](mailto:operations@ctkcincy.com).
